LIVINGSTON

HOW ABOUT YOUR LIBERTY BONDS. Are you helping to defeat the Kaiser?—Mrs. W. T. Amyx and son, Clifford, have returned from Cincinnati, after a few days visit. —Mr. and Mrs. George Gains, who have been living in Winchester, will move to our town in a few days. They have rented a house of C. A. Blanford. —Mrs. J. L. Hughes, of Corbin, is visiting her parents, Mr. and Mrs. Thomas Farley. —R. D. Stidham has moved his family to Winchester and will take the Winchester section as foreman. George Hellard will take the section that Stedham leaves and Victor Owens will take the section that Hellard leaves. Mr. and Mrs. Alvin Carico and children, of Louisville, have been visiting her parents, Mr. and Mrs. J. C. McGuire for the past few days. —Mrs. D. B. Rambo was in Louisville latter part of the week shopping. —W. H. Cottingham has sent in his resignation as post master. He has a position with the L. & N. and decided that both positions were too much for one man. —It looks now that J. F. Dees will be appointed in his stead. —Dr. Walker Owens, of Mt. Vernon, was here between trains Monday. —Mrs. Robert Griffin was in London latter part of last week visit-

ing relatives. —Mrs. J. H. Walton, is in Paris, Ky., visiting her daughter, Mrs. I. A. Mann. —Will some reader of the Signal please explain what kind of a winter we are having now, as it is too soon for either dogwood or blackberry winter. We will acknowledge that it is one on us. —Farming and gardening in this locality is progressing slowly on account of the cold weather and so much rain. —W. H. Mullins, of Paris, is with home folks this week. —Mrs. John Ball and children have returned home after a few days visit with relatives at East Bernstadt. —S. C. Franklin was here between trains Saturday, en route to Lexington to visit his mother. —Squire J. L. Arnold, who has been quite sick, is slowly improving. —C. E. Rice will move his family to South Louisville in a few days, as he has a position with the L. & N. at that place. —Mrs. W. M. Brady has returned from Hazard, Ky., after a few days visit with her parents, Mr. and Mrs. W. R. Ward. —Kaiser Bill said that he would eat his Christmas dinner in Paris, France. It will surprise us the way that business is picking up with the Allies, if he is able to eat it in Berlin, Germany, and besides if some of those Americans can get a good shot at him, we don't think he will have any control over his appetite. —Miss Hallie Asher, of

Livingston, and Mrs. Pleasant Cornelius, of Berea, have gone to Mississippi to spend the summer. Dr. Cornelius has purchased a farm in that state and will try his luck at farming. —Mrs. Minnie Merricks and little daughter, Marguerite, of Mt. Vernon, were here between trains, Monday, en route home from Paris, Ky. —Hugh Jenkins, of Birmingham, Ala., has been here for a few days. —J. T. Omary has been on the sick list this week. —John Cookrell is in Paris for a few days. —Fulton Douglas, of Jellico, Tenn., has been visiting his aunt, Mrs. E. L. Cookrell, the past week. —We understand that Kentucky has gone over the top in the Third Liberty Loan. Hurrah! for the old Blue Grass State. We believe in placing the Stars and Stripes on the highest peaks of brotherly love and patriotism, and Kentucky was called on to do her bit against autocracy and she has proudly responded. Yes, we are anxious to help put a stop to the murder of innocent women and helpless children, but we believe it is going to take the blood of many heroes, but there is no other way out, so come on and buy bonds while the boys are showing the Huns what the Yanks can do. Don't think because you are too old or too young and do not have to fight, that you have no part in it. If you think this, you are sadly mistaken, for it is our war now; so get busy. —The Third Liberty Bonds sold in Livingston like hot cakes. The people begin to realize what they are up against, and besides helping the Government out by loaning Uncle Sam your money to help put the Kaiser and the Huns out of business, it is a good investment. In fact there is none better, and if the rest of the folks did as well as the citizens of old Livingston, the Third Liberty Loan will be a grand success. Below we give you an idea of what we have done, and yet the good work goes on. —Bonds purchased through the L. & N. R.R. Co., by the employees, \$3,500.00; by the business men, women and children, \$3,200.00, a total of \$6,700.00, and we are not done yet. All get busy and let's help the boys over yonder. If we will furnish the money they will put a quietus on the murderous Huns.

Notice to County Teachers

April 19, 1918.
Mrs. Alice Davis,
My dear Superintendent:—
We are sending you check for two thirds of your sixth or February installment. We have been waiting for some weeks thinking each day there would be sufficient revenues to pay the entire installment, however, we find that it may be the middle of May before there is revenue to pay this full installment.
We hope to pay the remainder of this installment and possibly a part of the seventh installment by the middle of May, however, this depends upon whether the corporations protest the payment of their franchise tax.
Thanks to the splendid services rendered by Senator Antle and others of the Upper House and Representatives McLaughlin, Hardin, Bell, Bowman and others of the Lower House, we will after this year be able to pay the teachers at the end of each month beginning in September.
Hoping to see you at the K. E. A., I remain,
Very truly yours,
V. O. Gilbert,
State Superintendent.

in the packing industry.

Swift & Company, although the largest packer, handles not to exceed one-eighth of the total meat production of the United States.

The five large packers do not handle to exceed one-third of the total meat production of the United States.

Swift & Company is not in combination with any other packer or packers to control prices.

There is very active competition in the buying of live-stock and equally keen competition in the sale of dressed meats and by-products.

It gives me pleasure to state that Dr. J. J. Byrne, optician, resident of Cincinnati, Ohio, for several years has furnished me with glasses which have given me great satisfaction and enabled me to carry on my work with more ease than previously. He is thorough in his tests and examinations, and is giving thorough satisfaction. He is thoroughly conscientious, and will only prescribe glasses when an examination and test demonstrate the need of glasses. as I testify as to myself.
I commend him most freely and fully.
